Subject: ASEF-led Youth Survey for ASEM Youth Report on Leadership

Cc: ASEF Young Leaders Summit <asefyls@asef.org>

Sent to: Ministries of Education and Stakeholders of the ASEM Education Process

Dear ASEM Colleagues,

The [4th ASEF Young Leaders Summit \(ASEFYLS4\)](#) on “Sustainable Development in a post-COVID-19 World” is the official youth event of the [13th ASEM Summit](#) in November 2021 in Cambodia. It is a 10-month long youth leadership programme on self, team & societal leadership in the context of the SDGs 3, 4, 8 and 13. This [Overview](#) provides further information about the project.

As part of the ASEFYLS4, the [Asia-Europe Foundation \(ASEF\)](#) and the [Centre for Creative Leadership](#) are producing an ASEM Youth Report that captures the perceptions of young people across 51 Asian and European countries on equitable opportunities in leadership, including the youth’s understanding of leadership and forms of leadership in society.

The ASEM Youth Report will be presented by ASEFYLS4 youth representatives to the Heads of State and Governments at the 13th ASEM Summit and circulated through ASEF's networks to Ministries of Education & Youth as well as youth organisations in both regions, with the aim of informing policy makers and relevant stakeholders.

We would highly appreciate your support in sharing the [ASEM Youth Survey](#) with your youth networks, including National Youth Councils, youth umbrella associations and local youth organisations. Please find below an outreach email which you can use for easy distribution.

All participating youth will receive an e-book on Leadership by the Centre for Creative Leadership. In addition, one Asian and one European youth respondent will be selected through a lucky draw and receive a fully funded "Trainer Essentials" course by the UN System Staff College.

Should you require further information, Mr Álvaro González Pérez (asefyps@asef.org), who coordinates the ASEM Youth Report, and I would be glad to assist. We thank you in advance for your kind support and look forward to receiving a good response from young people in your respective countries.

Warm regards,

Leonie Nagarajan
