Subject: Invitation to Apply for the
Taiwan Experience Education Program (TEEP) at NPUST

January 17th, 2024

Dear Respected UNTA Members,

Greetings from the Secretariat of the University Network for Tropical Agriculture (UNTA) and the Office of International Affairs (OIA) at National Pingtung University of Science and Technology (NPUST), Taiwan.

We are pleased to announce that the OIA, NPUST is implementing a Taiwan Experience Education Program (TEEP). This program offers the opportunity for international students to attend a 5-6 months education and training program with one of the NPUST faculty members in Taiwan. The list of participating NPUST faculty members and research topics can be found in the attachment. The training period for the program is scheduled from April 1st, 2024, to September 30th, 2024. We are also delighted to inform that students who are selected for the program will be subsidized 12,000 NTD/month for 5-6 months. All expenses are to be paid for by each trainee student.

Interested candidates are invited to apply for the NPUST TEEP through our online application platform. The deadline for online applications is February 29th, 2024.
